Southwest Ohio Council of Governments (SWOCOG)
Login Instructions for Paystubs and W2s

SWOCOG migrated its employee HR Kiosk files to SCView beginning with the 2024-25 school year. This change was made because the Ohio Education Computer Network was sunsetting the HR Kiosk product and that provided the opportunity for the SWOCOG to consolidate into existing software with SCView.

The SCView system will provide paystubs and W-2's just like Kiosk. You will access SCView from the link below.

Employees hired prior to FY24
- Will use their email address as their username and their password from HR Kiosk.
- If you need to reset your password, you can use the 'Forgot Password?' link.

Employees hired after the start of FY24
- Will use the email address they provided at the time of hiring as their username.
- The password will be **welcome**.
- Once logged in, you will be prompted to reset your password.

Be sure the database is identified as **SWOCOG** at the time of login:

Once you are logged in you can select **"My Pay"** and you will have a drop down for pay stubs and tax documents. Documents for calendar year 2024 and moving forward will be on the system; prior year forms may be added later.

SWOCOG anticipates using this platform for additional employee functions in the coming years. Stay tuned for updates.
